5 June 1986

MEMORANDUM FOR: Chief, Arms Control Intelligence Staff
FROM: Director of Central Intelligence
SUBJECT: Overview of US Arms Control Monitoring Capabilities
May 1986

That was a very good overview your fellows did on our monitoring capabilities. I would certainly encourage going forward with the next steps. We will soon get a group together to identify and evaluate those next steps related to needs, Soviet strategic programs, as well as monitoring arms agreements.

William J. Casey
